## David E. Nutting, District #3

**Years served:** Elected in 2006

**Committee Assignments:**

Law Enforcement and Judiciary Committee (past)
Marathon County Education and Economic Development Committee (present)
Marathon County Information and Technology Task Force (past)

**The challenges and opportunities of the County which I am most interested are:**

The ongoing efforts to fulfill the aspects of the master plan for 25 years of improvements to Marathon Park, the UWMC, and Highway Department Facilities.

Also the continued ongoing financial health and marketing of Mount View/Health Care Center and remodeling of the Central Wisconsin Airport.

Lastly, the growing encouragement of measures to attract/retain young entrepreneurs to start new businesses.

**The best thing about Marathon County is:**

Its diverse living, recreation, entertainment, income producing/employment opportunities. This county exports goods and services world-wide.

**Something about me that most people might not know or expect is:**

I appreciate a wide variety of classic "oldies" music, but truly love organ music and the playing of pipe and electronic organs. I promote the use of old radios and phonograph players, with 8-track tape players too.

My wife and I enjoy motorcycle riding and antique car shows.

**Family:**

Joy and I have been married for 30 years on 7/30/12. We have 4 children:
Katie (Kyle) Von Rueden
Kerry – UWEC graduate as B.S.N.
Kimberly (David) Surface – Moody Bible Institute graduate as elementary educator
Karl – Ripon College / ROTC Cadet
