

Notice of General Election and Sample Ballots-Tuesday, November 8, 2016

OFFICE OF THE NAN KOTTKE, MARATHON COUNTY CLERK - TO THE VOTERS OF MARATHON COUNTY

Notice is hereby given of a General Election to be held in Marathon County, on 8th day of November, 2016 which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the questions submitted to a vote, in the sample ballot below.

INFORMATION TO VOTERS

Upon entering the polling place, a voter shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter is not registered to vote, a voter may register to vote at the polling place serving his or her residence if the voter provides proof of residence. Where ballots are distributed to voters, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the voter shall retire alone to a voting booth or machine and cast his or her ballot except that a voter who is a parent or guardian may be accompanied by the voter's minor child or minor ward. An election official may inform the voter of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

Voting for President and Vice President

A vote for candidates for President and Vice President is a vote for the presidential electors of those candidates. A write-in vote for President and Vice President must designate the name of a presidential candidate. A write-in vote for a candidate for President only will be counted. A write-in vote for a candidate for Vice President only will not be counted.

The voter shall fill in the oval next to the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall write in the name of the person of his or her choice in the space provided for a write-in vote, and fill in the oval next to the write-in line. When voting for President and Vice President, the voter shall fill in the oval next to the set of candidates (ticket) for president and vice president for whom he or she intends to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall write in the names of persons of his or her choice in the spaces provided and fill in the oval next to the write-in lines. On referendum questions, the voter shall fill in the oval next to "yes" if in favor of the question, or the voter shall fill in the oval next to "no" if opposed to the question.

When using an *electronic ballot marking device-AutoMARK* to mark an optical scan ballot, the voter shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the voter shall type in the name of the person of his or her choice in the space provided for a write-in vote. When voting for President and Vice President, the voter shall touch the screen at the set of candidates (ticket) for president and vice president for whom he or she intends to vote. To vote for a Presidential ticket that does not appear on the ballot, the voter shall type in the names of persons of his or her choice in the spaces provided. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

The vote should not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth. Sample ballots or other materials to assist the voter in marking his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

If a voter spoils an optical scan ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one voter. If the ballot has not been initialed by two inspectors or is defective in any other way, the voter shall return it to the election official who shall issue a proper ballot in its place. After an official optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. The voter shall then insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit.

A voter may select an individual to assist in casting his or her vote if the voter declares to the presiding official that he or she is unable to read, has difficulty reading, writing, or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the voter's employer or an agent of that employer or an officer or agent of a labor organization which represents the voter.

DO I NEED A SPECIAL VOTER ID CARD?

There is not a separate "Voter ID" card. There are many forms of Photo ID, which you may already have, that can be used to vote.

Anyone with a valid Wisconsin driver license or Wisconsin state ID card, or any of the documents listed below, already has the photo ID they need for voting purposes.

WHAT CAN I USE AS PHOTO ID TO VOTE?

The following photo IDs are acceptable for voting purposes, and can be unexpired or expired after the date of the most recent general election:

- A Wisconsin DOT-issued driver license, even if driving privileges are revoked or suspended
- A Wisconsin DOT-issued identification card
- Military ID card issued by the U.S. Uniformed Services

The following photo IDs are also acceptable for voting purposes:

- A certificate of naturalization (that was issued not earlier than two years before the date of the election)
- An identification card issued by a federally recognized Indian tribe in Wisconsin

- An identification card receipt issued by Wisconsin DOT (valid for 45 days from date issued)
- A Veteran Affairs ID card (must be unexpired or have no expiration date)
- A photo identification card issued by a Wisconsin accredited university or college, or technical college that contains the following:
 - Date the card was issued
 - Signature of student
 - Expiration date no later than two years after date of issuance, can still be used if expired
 - The university or college ID must be accompanied by a separate document that proves enrollment, such as a tuition fee receipt, enrollment verification letter, or class schedule

WHAT WILL THE POLL WORKER BE LOOKING AT ON MY PHOTO ID?

- **Elector's Photograph**
The photograph must reasonably resemble the elector
- **Elector's Name**
The elector's name must conform to the name on their voter registration; conform does not mean that the name must be identical to the name on the voter registration
- **An Expiration**
If the ID has an expiration date, it must meet the expiration requirements listed above

An acceptable Photo ID for voting does not have to include a current address.
