Submitted New Road Name List

This document is updated with new submissions. Please check before submitting your new road names.

Please Note\*\* Duplicate/Similar road names will not be accepted. Example: Merry and Mary, Young and Youngs.

Road prefixes (N, S, E, W) and suffixes such as: Rd, St, Ln, etc. Do Not establish a unique road name. N River Dr, North River Ln, S River Rd will be considered duplicate.

How road names will be pronounced (phonetics) will be reviewed.  
Example: Anson and Anton, Zagota and Zagato will be considered similar.

Adding the same word such as “Old” in front of every road name to be renamed will be considered similar. We need Innovative and unique names for the Sheriff’s Communication Dispatch Center.
