How to Access You or Your Child's Immunization Record

1. Visit the Wisconsin Immunization Registry (WIR) website at: https://www.dhfswir.org

2. Click on Public Immunization Record Access

3. Enter the required fields:
   - First Name
   - Last Name
   - Birthdate
   - Social Security # or Medicaid ID

   Click on Search

4. If the record does not come up, check that all information is spelled correctly.

   If search still does not work, call our Immunization line for assistance:
