PLAN FOR PLAY WE NEED YOUR INPUT!

APRIL 30TH 6:00-8:00 PM

The Marathon County Parks, Recreation & Forestry Department is in the process of updating the County's Comprehensive Outdoor Recreation Plan. If you were unable to take the Parks & Recreation Survey, it is not too late! We still would like your feedback on the future of the County park and trail systems.

Please save the date and join us! The Parks Department is holding a "Plan to Play" public involvement meeting on Tuesday April 30th at 6:00 PM at the Marathon County Public Library – Wausau Headquarters (300 N. First St.) in the Community Room. The purpose of the meeting is to review the results of the community survey that was recently conducted and obtain additional feedback on desired park and recreation improvements within the County's park system. Note this meeting is not sponsored by the Marathon County Public Library. Check the Department's Announcement website for official meeting confirmation.
