

ATTENTION SNOWMOBILERS

TRAIL PASS REQUIRED

ALL snowmobiles except those classified as 'ANTIQUE' (35 model years or older) operating on Wisconsin public trails and corridors are required to display the Wisconsin Trail Pass.

The Trail Pass is in addition to Wisconsin snowmobile registration decals. All snowmobiles operating on Wisconsin public trails and corridors still need to be registered. Wisconsin snowmobile registration fees have been reduced to \$30 for 3 years.

Wisconsin residents belonging to an AWSC-affiliated snowmobile club can purchase trail passes for a discounted rate of just \$10 per pass. Non member cost is \$30 per pass. So join a snowmobile club and get the discounted trail pass. (Non-resident, trail passes for non-members can be ordered from the [Wisconsin DNR](#) for \$50.)

Failure to display the current Wisconsin Trail pass will result in a fine of \$200.50.

Snowmobile Club Member Already?
