

## 2019 FACILITY AND PROGRAM FEES

	2019	2020
<b>ADMINISTRATIVE</b>		
<u>NSF Fee</u>	\$30	TBD
The NSF (non-sufficient funds) fee covers administrative staff time to pursue collection on uncollectible checks that are returned from the bank to the Treasurer's Office.		
<u>Contracts with insurance or scheduling needs fee</u>	\$30	TBD
A number of our facility use contracts require the user to have liability insurance to protect themselves and the City or require scheduling meetings involving multiple users. Processing the insurance and conducting scheduling meetings consume hours of administrative time. A \$30.00 administrative fee for processing these more complex use agreements will partially offset the increased levels of service required by large events and long term uses.		
<u>Violation Notice</u>	\$50	TBD
<b>BIKING</b>		
<u>Mountain-Bay Trail</u>		
Bicyclists 16 years of age and older are required to purchase a trail pass when using Wisconsin State Trails. There are no specific trail fees for snowmobile users. These users already pay user fees through registration and licensing. There is no fee for hiking.
