

THIS LITTLE BROWN SIGN COULD SAVE YOUR LIFE.

Marathon County Snowmobile Clubs have placed brown, 3 digit number signs throughout the County at key intersections. In the event of an emergency, the 911 dispatcher will ask you for this number. Their emergency response system can identify these numbers and give important information to rescue personnel.

So pay attention to these intersection number signs.

They can save lives!

Questions or comments? Call the Marathon County Parks, Recreation and Forestry Department at 715-261-1550.
