

# MARATHON COUNTY DEMOLITION PERMIT

Applicant Name: \_\_\_\_\_

PIN # \_\_\_\_\_

Address of property where the wrecking, razing, or demolition of a building or structure will occur:

\_\_\_\_\_

Date demolition will occur: \_\_\_\_\_ Time period of demolition: \_\_\_\_\_

I, the applicant, hereby certify that the statements contained in the application are true and correct, that I have read and understand the conditions on this form and the ordinances, and if granted a permit, I will comply with all terms and conditions that apply.

- All utilities including but not limited to such utilities as water, electricity, gas and sewer, having service connections with the building or structure of the work to be done have been notified.
- All connections such as meters and regulators have been removed or sealed and plugged in a safe manner.
- Barricades or safeguards as directed by the Zoning Administrator must be erected at the worksite to promote public safety.
- All rubble, rubbish, and other debris from any work or construction site shall be removed promptly so as to safeguard against health safety and welfare of the public. All rubble and rubbish shall be hauled to a site that is either a licensed solid waste disposal facility or will otherwise allow the deposit of such materials under all state and town laws, ordinances, and regulations.
- All rubble, rubbish, and other debris must be removed within 35 feet of the ordinary high water mark.
- No machinery or construction material below the ordinary high water mark.
- Plot Plan submitted showing which structures that are being removed.
- Attach description of how site will be reclaimed (if applicable)??
