Proposed Flood Hazard Determinations for Marathon County, Wisconsin and Incorporated Areas
The Department of Homeland Security's Federal Emergency Management Agency has issued a preliminary Flood Insurance Rate Map (FIRM), and where applicable, Flood Insurance Study (FIS) report, reflecting proposed flood hazard determinations within Marathon County, Wisconsin and Incorporated Areas. These flood hazard determinations may include the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area boundaries or zone designations, or the regulatory floodway. Technical information or comments are solicited on the proposed flood hazard determinations shown on the preliminary FIS report and/or FIRM for Marathon County.

For information on the statutory 90 day period provided for appeals, as well as a complete listing of the communities affected and the locations where copies of the FIRM are available for review, please visit FEMA's website at <http://www.fema.gov/plan/prevent/fhm/bfe>, or call the FEMA Map Information eXchange (FMIX) toll free at 1-877-FEMA MAP (1-877-368-2271).
