MAP DATES
 This FIRM index displays the map dates for each FIRM panel at the time that this index was printed. Because this index may not be distributed to unaffected communities in subsequent revisions, users may determine the most current map date for each FIRM panel by visiting the FEMA Map Service Center website at <http://msc.fema.gov>, or by calling the Map Service Center at 1-800-358-9616.

Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as the current FIRM index. These may be ordered directly from Map Service Center at the number listed above.

BASE MAP SOURCE

Base map information shown on this FIRM was provided by Marathon County Conservation, Planning and Zoning Department. The information was derived from digital orthophotography taken in the spring of 2005 and compiled to meet 1" = 200' scale National Map Accuracy Standards.

NOTE TO USER

Future revisions to this FIRM index will only be issued to communities that are located on FIRM panels being revised. This FIRM index therefore remains valid for panels dated July 22, 2010 or earlier. Please refer to the MOST RECENT FIRM PANEL DATE column in the Listing of Communities table to determine the most recent FIRM index date for each community.
