

Press Announcement

DATE: July 16, 2020

Contacts: Judy Burrows, Public Information Officer, 715-261-1905
David Muñoz, Superintendent, Mosinee School District, 715-693-2530 ext. 6103

For Immediate Release:

(Mosinee) The Mosinee School District was notified that a person in summer school has tested positive for COVID. The District is working closely with the Marathon County Health Department. Persons who had close contact with the individual will be notified by the Health Department. Mosinee School District has notified all summer school parents and staff of the situation.

“COVID is continuing to spread throughout our community and everyone can take precautions to prevent the spread” stated Judy Burrows, Public Information Officer. “The best prevention measures are wearing cloth face masks and social distancing”.

“We want to reassure parents we are taking this seriously. We will not be holding school tomorrow, Friday July 17, to give us time to do thorough cleaning as we do every day, and to allow for contact tracing. We will reopen summer school again on Monday July 20 in accordance with the continued collaboration and guidance from the Marathon County Health Department.” Stated David Muñoz, Mosinee School District Superintendent.

The Mosinee School District developed health and safety plans in accordance with the Department of Public Instruction and CDC guidelines in collaboration with the Marathon County Health Department. Many school districts across the state are currently evaluating policies and procedures to determine how to bring children back into the classroom including several districts running summer schools.

Anyone who has symptoms of COVID should contact their health care provider. Please call the clinic before you go to protect the health of others. Symptoms include; fever of 100 degrees or higher, cough, sore throat, and recent loss of taste or smell.

This situation continues to evolve rapidly. For the latest information, visit the CDC's coronavirus website, the [Wisconsin Department of Health Services website](#), or the [Marathon County Health Department](#) webpage or follow us on [Facebook](#).
