Notes

Area is a Mixed Northern Hardwoods site, a portion of which was hit by a severe storm in 1998.

Campsites 30 - 40 are sunny with a view of the flowage. Campsites 41 - 46 are partially shaded with a view of the flowage. The remaining campsites are partially shaded.

Each campsite has electrical power which includes one 30 amp trailer plug in and one standard 20 amp circuit.

Campsites 3, 9, 11, 13, 19, 21, 22, 23, 24, 29, 32, 34, 37, 38, 45 & 46 are 60 ft in length.

Campsites 25 and 30 are 55 ft in length.

Campsite #35 is 40 ft in length, and the remaining sites are 50 ft in length.

Campsite #29 is a Handicapped site.

Campsite #17 and #18 are Administrative sites.

Dump Station is located by the Contact Station (A-Frame).

Firewood is available for \$6.00 (approximately 3 cubic feet).

Hand pump well and Pit toilet facilities.

**BOAT LAUNCH IS NOT INCLUDED IN CAMPING FEE.**
