

Social Distancing When Boating

Keep Social Distancing at the Boat Launch, give others space to load and unload their boat.

No beaching your boat right next to someone else.

Maintain your distance at the fuel dock – and remember to wash your hands.

No rafting up – keep your distance on the water.

No guests on your boat!
This includes family members not in your immediate household or your closest boating buddies.

Go right from your house to the boat and back –
no unnecessary contact with anyone.

Enjoy your boat, the water and the fresh air;
but enjoy it while boating responsibly.

Social distancing is the best way to stay safe.
